

Table à Repasser JS50

Folding vacuum heated ironing table
with steam iron and stainless steel electric boiler
manual water feeding
board dimensions : 1100 x 370 x 230 mm
adjustable height

Model	Board dimensions mm	Boiler capacity lt	Autonomy hour	Electrical power Kw	Net weight kg
JS50	1100x370x230	5	6	3,3	40

Optional :
- swinging arm with sleeve shape

Table à Repasser AMBRIA

Vacuum and heated ironing table
Built-in electric boiler with both automatic water feeding and pressure control
with steam iron
adjustable temperature by thermostat
board dimensions AMBRIA/A: 1200 x 400 x 250 mm
board dimensions AMBRIA/MAX: 1300 x 500 x 250 mm

Model	Type	Board dimensions mm	Boiler power Kw	Iron power kw	Board power kw	dimensions mm	Net weight kg
AMBRIA	AMBRIA/A	1200x400x250	4,8	0,830	1	1550x580x950	119
AMBRIA	AMBRIA/MAX	1300x500x250	4,8	0,830	1	1550x580x950	121

Optional:
- swinging arm with sleeve shape
- steam gun
- water spray with support
- sliding trolley with balancer
- board lighting
- steam iron assembly for 2sd iron

Table à Repasser Tornado

Vacuum, heated and blowing ironing table
Adjustable height of board
built-in electric boiler, steam iron
Board dimensions 1300 x 510 x 270 mm
Optional :
- swinging arm with sleeve shape
- sliding trolley with balancer,
- board lighting

Model	Type	Boiler power Kw	Iron power kw	dimensions mm	Net weight kg
TORNADO	TORNADO/AMAXI	4,8	0,83	1630x520x2170	160

Presse Blanchisserie

Universal laundry press

polished upper board, heated lower board
built-in vacuum unit
ready to be connected to central steam and compressed air supply
board dimensions: 1170 x 360 x 220 mm
encumbrance: 1440 x 1100 x 1410 mm
