COIN LAUNDRY SOLUTIONS

A wide range of machinery to suit any self-service business, and now going one step further with services and innovative solutions.

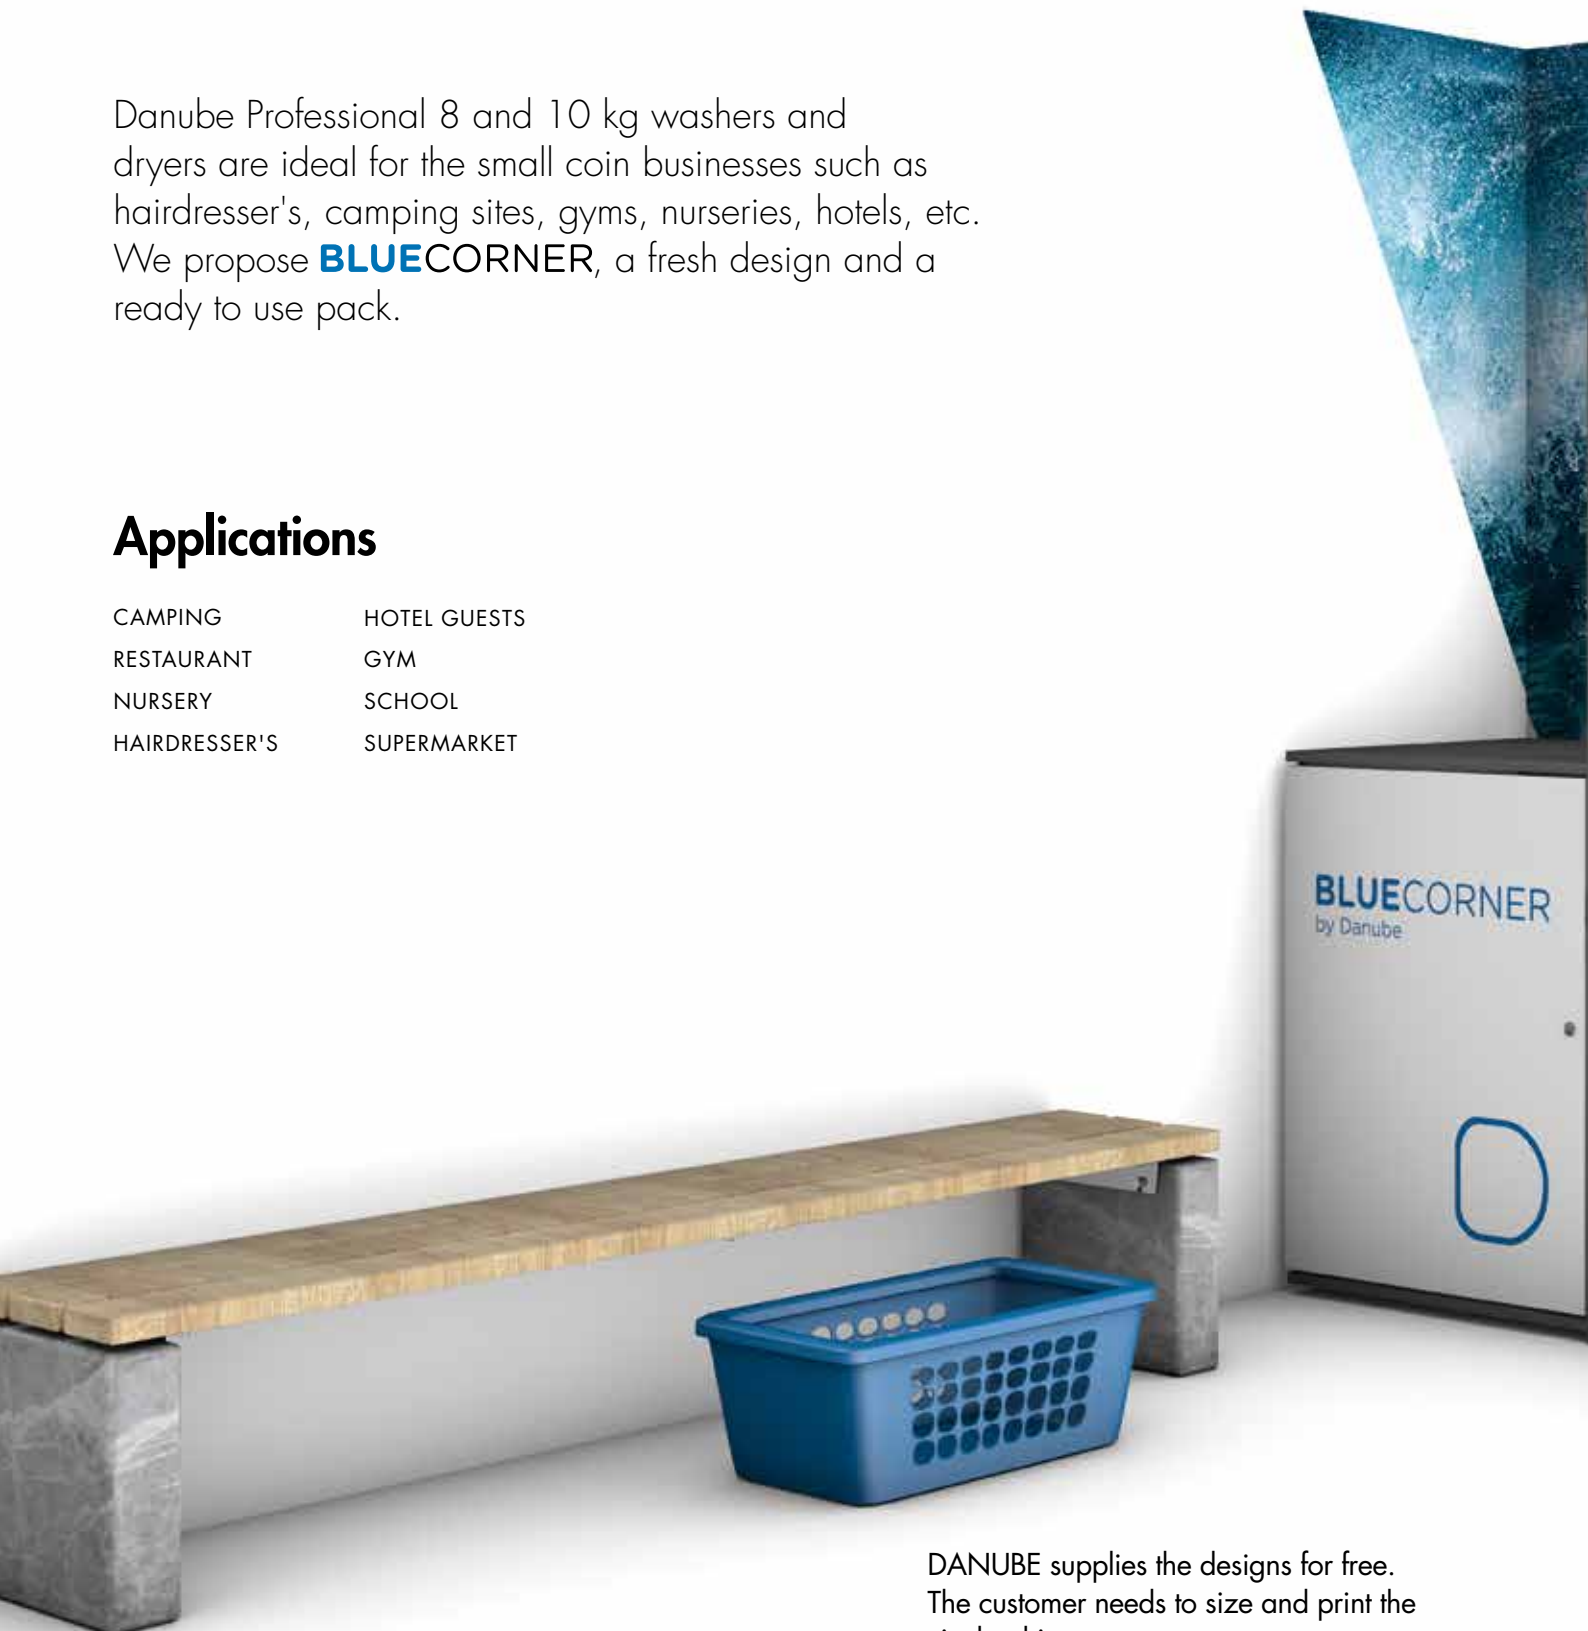

BLUECORNER

by Danube

Danube Professional 8 and 10 kg washers and dryers are ideal for the small coin businesses such as hairdresser's, camping sites, gyms, nurseries, hotels, etc. We propose **BLUECORNER**, a fresh design and a ready to use pack.

Applications

CAMPING	HOTEL GUESTS
RESTAURANT	GYM
NURSERY	SCHOOL
HAIRDRESSER'S	SUPERMARKET

DANUBE supplies the designs for free.
The customer needs to size and print the vinyl at his own expenses.

SOLUTIONS

DOUBLE PACK

1+1 PRO PACK

PRO STACK PACK

BLUEWASH

by Danube

A complete design proposal for your coin shop:
machines and complements can be adapted to
the most suitable business size.

Washing and drying
instructions on the wall

WASHING

- 1. Put your garments in the machine without too much water.
- 2. If you have a lot of clothes, use the extra water option.
- 3. Don't mix heavy and light clothes.
- 4. Don't mix dark and light clothes.
- 5. Don't mix different types of fabric.
- 6. Don't mix different types of color.

PRICE LIST 23			
WASHING	WASHER 5KG	WASHER 7KG	WASHER 10KG
	4€	7€	10€
DRYING	DRYER 5KG	LEBBYE: 0.50€ DETERGENT	
	2€	ABSCHÜSSMILT: 1€ SOFTENER	
	FOR 12 MIN		

You can choose among different payment options in the laundry: central pay, coiners or the new DANUBE LAUNDRY App thanks to the IoT.

BLUEWASH

by Danube

BLUEWASH by DANUBE is a laundry with a daring, modern and functional design to create and decorate your own coin laundry.

Signage

The most varied messages to be adapted to your space: opening hours, front shop, instructions, wifi corner, prices, etc.

Proposal of a laundry shop

Machines solutions

Specific machine for the washing of animal laundry

Ozone cabinet

The DAN_03 cabinet series are cabins designed to DEODORIZE and SANITIZE all kinds of clothes, accessories and materials by using ozone.

Helmets, jumpsuits, jackets, boots, hats, caps, toys and teddy bears, bags, stuffed animals, bedspreads, pillows, curtains, pet beds and clothes...

It is also ideal for highly elaborated costumes and clothing that cannot be water washed, dried or ironed.

A complement section to the self-service shop for those people who have no time to wash and iron: they can leave their clothes in a locker and the laundry staff will wash and iron the load of garments for them in a professional way

BLUEWASH²⁵

by Danube

25

You only need **25 sqm** and a minimum investment to have your own laundry

Your laundrette

Customers demand reliability and efficiency and you want to provide them.

Having the traceability of washing and drying cycles is essential to ensure **maximum hygiene**.

Process control

Having the control of the programs executed, of those in progress, comparisons and current and historical information will help you to ensure the **quality and hygiene** of the process.

The remote application shows you the RABC graphs, programs executed with details of temperatures, comparison of processes, etc

Business management

With data from production, productivity, machine availability, invoicing and more, you can make the best decisions for your business.

Laundry management

You can monitor your business:

- ✓ Create programs/discounts
- ✓ Control schedules
- ✓ Control income, earnings
- ✓ Creation of groups of machines (by shop, by version, etc.)

Remote technical service

Data recovery for after-sales service, error warnings, software updates...

Statistics

Financial, by schedule, technical, traceability and programs.

Remote desktop

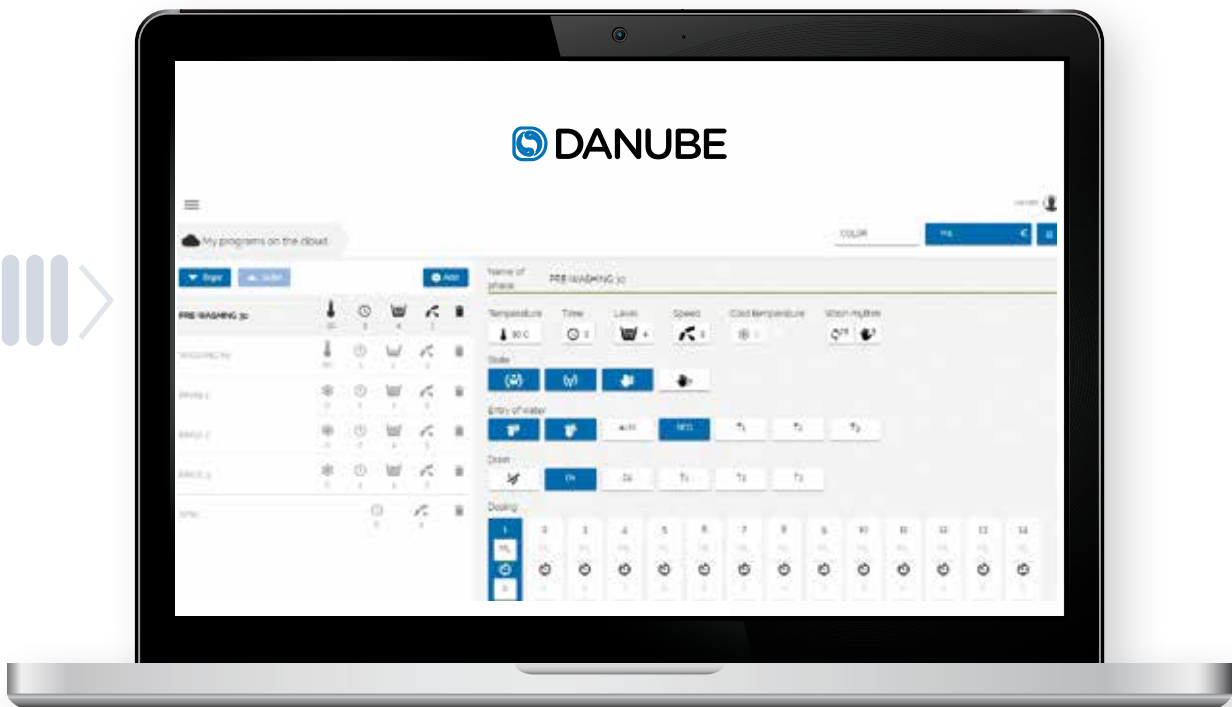

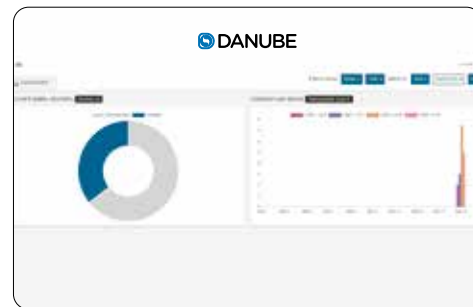

Monitors, blocks and operates the machines in real time and remotely.

Data

Download all the data in Excel.

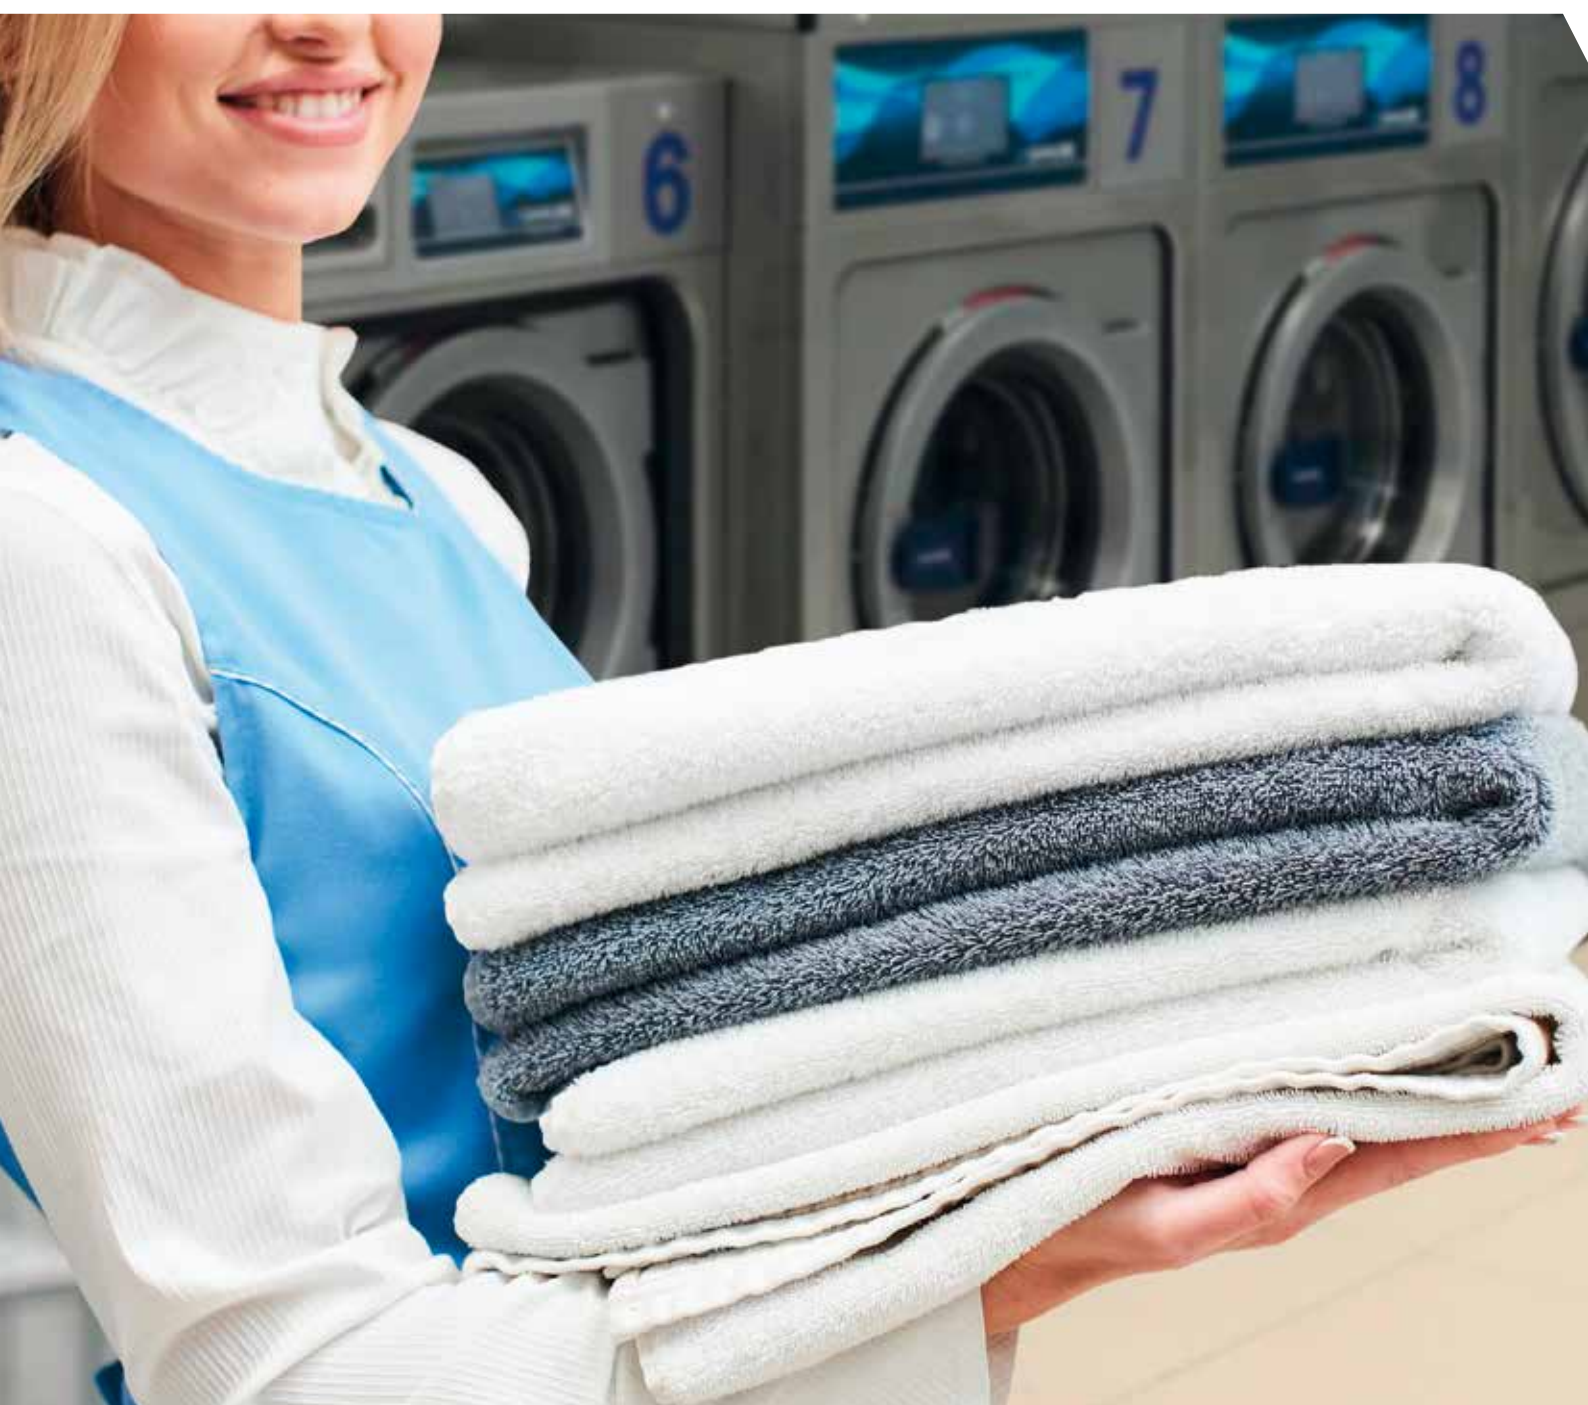

Geolocation of the machines on a world map.

Your self-service

Signing up to DANUBE LAUNDRY is the most convenient option for operating from your mobile phone: when you need a laundrette, select the nearest shop, reserve the machine and on completion, pay with your mobile phone.

You can also receive statistics about all your washes and take advantage of special deals.

DANUBE LAUNDRY

Install the APP

You will locate shops, and you can book machines easily using a QR code. Check the availability of machines and reserve yours at any time.

The APP notifies you of the end of the cycle via e-mail.

Manage and organize your expenditure with information such as accumulated turnover.

You will receive special offers, discounts and news conveniently on your mobile phone.

APP with payment gateway, payments using QR code. Extremely safe communication

Ozone Cupboards

DAN_O3 300 / DAN_O3 600 / DAN_O3 1250

Ozone cupboards allow to SANITIZE and DEODORIZE all kinds of garments, accessories or materials that cannot be washed, without having to use chemicals. Using an ozone cupboard allows you to enjoy reliable and natural hygiene when you need, in many specific cases.

FUNCTIONING

PHASE 1:

FILLING THE CABINET
> CREATING OZONE
INSIDE THE CABINET

PHASE 2:

OZONE CONCENTRATION
IN THE COMPARTMENT
WITH THE MATERIAL TO
BE DISINFECTED

PHASE 3:

DESTRUCTION OF
OZONE INSIDE THE
CABINET > EMPTYING
THE CABINET

OZONE
by **DANUBE**

FEATURES

Panels in skinplate.
OPL and COIN versions.
Three models available.
Door locked with double electromagnet,
avoiding any opening during cycle.
Light indicator of cycle status.
No need of external ventilation.
Activated carbon filters to destroy ozone,
with front opening to replace them.

OPTIONS:

Extra shelves.
Wheels instead of feet.
Color skinplate outer casing.

Payment systems

Coin / Token

There are several kits depending on the currency of each country, which can be used with a token or with a new mechanical coiner kit. Both to be ordered with a coin box kit.

Central Pay

The machines can be connected to the central pay kit to control a single box with money.

Remote payment

Machines ready for remote communication: allows programming, management and technical feedback. Multi payable systems: price updating, etc.

DANUBE LAUNDRY

Extremely safe communication
